

Diabetic

VACO[®] by OPEd cast DIABETIC

The VACOcast Diabetic is a fixed flexion orthopedic fracture boot designed and engineered to assist in fast recovery and provide optimal comfort.

Features:

- Vacuum cushion forms perfectly to individual patient's anatomy
- Changeable liners for hygiene and comfort
- Easy wound inspection simplifies treatment
- Moveable toe plate to lengthen the plantar footbed
- Detachable sole for better hygiene
- Added volume of VACO cushions for increased support and resilience to weightbearing activity
- Shear-free velour lining to decrease friction to be softer on fragile skin

Indications

- Diabetic foot syndrome
- Ulcerations on the foot
- Post-operative care after toe and foot amputations
- Diabetic neuropathy
- Charcot foot
